The increase or change in the rate of salary or fixed allowance is caused by the following :—

(i) Increments.
(ii) Additions to salary like duty allowance, compensatory allowance, High Price Allowance, Conveyance Allowance, Fixed Travelling Allowance, etc.
(iii) The emoluments admissible to a Government servant when he proceeds on leave irrespective of the fact, whether the leave is privilege leave, furlough on average salary, furlough on half average salary, etc.
(iv) The emoluments admissible to a Government servant when he returns to duty on the expiry of the leave.

In all these cases the claims of the officers should be passed only when accompanied by the Accountant-General's authorisation, a copy of which is always endorsed by this office in favour of the Treasury Officer concerned.

2. The Heads of Departments are requested to issue necessary instructions to the Gazetted Officers under their control, for strict adherence to the provisions of the rules cited. The prompt transmission of the charge reports, both when the Government Servants proceed on leave and return to duty after leave, will enable an early settlement of leave salary and other claims of the officers.
